EXPERIENCE

Freelance — *Software Developer*

SEPTEMBER 2019 - NOW

- React native for a social media application.
- E-commerce application frontend in react and redux
- Diary Application (frontend and backend) with Nodejs and react
- Restaurant application backend in Node Js and express.
- Beach resort frontend application with react and context.

VFD Group CMS — *Backend Developer*

OCTOBER 2019

I built the Content Management System for VFD using Laravel.

RifeConnect, Lagos — *Software Developer*

SEPTEMBER 2018 - AUGUST 2019

- Wrote PHP applications in Laravel architecture. Performed regression and system-level testing to verify software quality and function before it was released.
- Worked closely with clients to establish problem specifications and system designs.
- Wrote clean, clear and well-tested code for various projects.

OpenMRS Open Concept Labs — *Open source Project*

DECEMBER 2018 - MARCH 2019

I contributed to the open concept labs' frontend application using React and redux

DriversNG, Lagos — *Software Developer*

MAY 2016 - AUGUST 2018

- Built, tested and deployed scalable, highly available and modular software products.
